

Dear Colleagues,

This is David Ward, a clinical member of MCCA, and I am writing to let you know the Maine Association of Specialists in Group Work, (MeASGW), is seeking new members who specialize in clinical group counseling and therapy. MeASGW is in a similar place MCCA was a few years ago of needing more members to continue as a group. We are reaching out to clinical communities to explore this opportunity to help this division grow. MeASGW is a division of MeCA, the Maine Counseling Association, and nationally, the American Counseling Association.

Benefits include:

- Group counseling and therapy specific workshops with CEU's;
- Listserv to discuss group issues;
- Networking with other group therapists in your area
- Electronic newsletter specific to group, (and we're working on more).
- Membership costs only \$10.

If you have a passion for group work, and would like to join, or get more information, please contact me at 207-846-3422, or by e-mail at david@davidwardlcsw.com
